Subject: Population, Health and Nutrition Technical Assistance and Support Contract 3 (TASC 3)
Request for Task Order Proposal (RFTOP) No. 486-07-020

Dear Offerors:

Enclosed is a RFTOP under the subject USAID indefinite quantity contract. These activities are aimed at providing technical support for Malaria Prevention and Control Activities in Cambodia. A similar letter is being sent to the other USAID contractors which have IQCs in the same area.

Please provide this office with your organization's proposal for accomplishing this work. Your proposal should be submitted to Ms. Karittha Jenchiewchan, Procurement Specialist and Ms. Maria Rosario M. Arenas, Sr. Acquisition Specialist, by email (email address: kjenchiewchan@usaid.gov and marenas@usaid.gov) by August 17, 2007, no later than 4:00 p.m. Bangkok time. Please let me know as soon as possible if your organization does not plan to submit a proposal for this task order. Given the requirements of the program, we do not expect the due date for submission of proposals to be extended.

After evaluation of initial proposals, USAID expects to select the contractor which will receive the task order to perform the statement of work. Once this choice is made, USAID may engage in discussions or negotiations with the chosen contractor regarding any matter to be covered in the final task order.

Questions of a technical or contractual nature regarding this RFTOP should be addressed to the individuals through e-mail, as provided above, not later than August 7, 2007.

Please note that this letter does not represent a commitment on behalf of USAID to award a proposed task order, nor does it commit USAID to pay for any costs incurred in the preparation and submission of the above requested information. Award of a task order under this RFTOP is subject to availability of funds and other internal USAID approvals.

Thank you for your interest in this activity.

Sincerely,

/s/

Patrick J. Wilson
Regional Contracting Officer
USAID RDM/A, Bangkok
